

Course Information					
Course Code	MT372	* Credit Hours	16	* Credits	1
* Course Name	Materials Engineering Practice				
(Course Type)					
(Language of Instruction)					
* School					
Prerequisite					
Teacher			(Course Webpage)		
* Description	<p>1</p> <p>2</p> <p>3</p>				

This course is to guide students to use the basic knowledge of Materials Science and Engineering to complete the specified engineering projects, further enhancing their practical ability, engineering ability and innovative ability. Students under the guidance of teachers are divided in groups to complete the corresponding project
